Disclosure Statement	<p>Your health plan has asked Focus Care to conduct, on its behalf, health assessments on its patients. The health assessment includes questions to help your health plan learn more about your current health status, including potential health risks. This information will help your health plan and your physician help you maintain or achieve your best state of health.</p>
	<p>Generally, your personal health information (PHI) may only be used and disclosed by us with your express written authorization. Focus Care has implemented several security measures to protect your PHI from being released orally, in writing, or electronically. Additional information about these safeguards are available upon request.</p>
	<p>Treatment Purposes. We may disclose medical information about you to other health care providers who are or will be involved in taking care of you. For example, the results of your health assessment will be sent to your health plan. Your health plan will use this information to identify your health needs and offer available programs to you. Your health plan shares your completed health risk assessment with your physician.</p>
	<p>Payment Purposes. We may use or disclose your medical information for payment purposes. It is necessary for us to disclose your completed health assessment to your health plan so that we may bill and receive payment for this service.</p>
	<p>Health Care Operations. We may use and disclose your personal health information in order for us to conduct our healthcare business, which is administration of the health assessment on behalf of your health plan.</p>
	<p>Other uses and disclosures of your PHI will be made only with your written authorization unless otherwise permitted or required by law. The use or disclosure will be made in compliance with the law and will be limited to the requirements of such law.</p>
	<p>In addition, we may release your personal health information to third party 'business associates' who perform various activities for us, such as billing or electronic transmissions of PHI. Whenever our arrangement with a business associate involves the use or disclosure of your PHI, we will have a written contract that contains terms that will protect the privacy of your PHI.</p>
	<p>Your agreement to participate with the health assessment implies your consent to provide the results</p>

	of your health assessment to your health plan.
