Norfolk, VA, 235071914

IMPORTANT WARNING: This facsimile is a confidential communication and is transmitted for the exclusive use of the person or entity to which it is addressed. If you are not the intended recipient you are hereby notified that any disclosure, copying or distribution of this information is **STRICTLY** prohibited. If you have received this facsimile communication in error, please notify us immediately by telephone and mail the communication to us at our address printed in the top left-hand corner of this form or destroy this facsimile.

To the extent that Protected Health Information (PHI) is enclosed, please be advised that it is being faxed to you after appropriate authorization from the individual or under circumstances that do not require authorization. It has been disclosed to you from a designated record set whose confidentiality is protected by state and federal law. You, the recipient, are expected to maintain this information in a safe, secure and confidential manner. In addition, federal regulations (42 CFR part 2) prohibit any further disclosure of drug and alcohol abuse treatment information except with specific written consent of the person to whom the information pertains or the parent or legal guardian of a minor child to whom it pertains, unless otherwise permitted by federal law. A general authorization for the release of information is **NOT** sufficient for this purpose. State law prohibits any further disclosure of this sexually transmitted disease information, including HIV/AIDS, without specific written consent of the person to whom the information pertains, or the parent or legal guardian of a minor child to whom it pertains, unless otherwise permitted by state law. A general authorization to release information is **NOT** sufficient for this purpose.

Dear RUBINO,

Re: Patient undefined undefined, DOB:

Recently, one of your patients had a health visit with Focus Care. The visit was authorized by Virginia Premier Health, your patient's health insurance plan.

The attached document is a copy of the laboratory test results from their visit with Focus Care. We hope the information from these test results will be valuable and support you in your role as a primary care provider.

If you have any questions, please call <1-800-318-6023 (TTY/TDD 711), Monday through Friday, 8:30 am to 9:00 pm>.

Sincerely,

A handwritten signature in black ink, appearing to read "Mark Mattingly", followed by the letters "ms" in a smaller, less legible script.

Mark Mattingly, M.D.
Vice President, Medical Affairs
