Disclosure Statement

Protected Health Information (PHI) is information, such as name, age, address, sex, race, and marital status, that may be used to identify your physical and mental health conditions; healthcare that you have received; and, how your healthcare services have been paid for.

FOCUS CARE does not use or disclose your PHI unless required or permitted by National or State laws or with your written consent. FOCUS CARE is required to release PHI to the Department of Health and Human Services (DHHS), or its contractors, for audits or other enforcement actions and to you, if you request access to, or an accounting of disclosures of your PHI.

FOCUS CARE may release your PHI without your authorization for treatment, payment, and health care operations of covered entities, such as providers, health plans, billing clearinghouses, and contracted business associates.

FOCUS CARE may disclose your PHI to you, unless otherwise restricted by law. FOCUS CARE may also use and disclose PHI without an individual's authorization where required by law, including statute, regulation, or valid court order.
