Dear PHILLIP,

Thank you for having your in-home health visit offered to you by Focus Care and Optima Medicare.

At Optima Medicare, we want you to have the information needed to take care of your health needs. Your in-home health visit with Focus Care was the first step toward healthy living.

We created the enclosed Personal Health Summary to help you understand your overall health. This summary also recommends vaccinations, screenings, and health tests that you may want to discuss with your primary care provider (PCP).

This summary is confidential and does not affect your healthcare coverage in any way. Please contact Optima Medicare before you schedule any health test to make sure it is covered by your benefits.

We encourage you to share your Personal Health Summary with your family and to discuss it with your PCP. If you have questions about this document or any of the services that Focus Care offers, please call Focus Care at 1-800-371-3338 (TTY: 711), Monday through Friday, 8:30 a.m. to 9:00 p.m.

Sincerely,
