IMPORTANT WARNING: This facsimile is a confidential communication and is transmitted for the exclusive use of the person or entity to which it is addressed. If you are not the intended recipient you are hereby notified that any disclosure, copying or distribution of this information is **STRICTLY** prohibited. If you have received this facsimile communication in error, please notify us immediately by telephone and mail the communication to us at our address printed in the top left-hand corner of this form or destroy this facsimile.

To the extent that Protected Health Information (PHI) is enclosed, please be advised that it is being faxed to you after appropriate authorization from the individual or under circumstances that do not require authorization. It has been disclosed to you from a designated record set whose confidentiality is protected by state and federal law. You, the recipient, are expected to maintain this information in a safe, secure and confidential manner. In addition, federal regulations (42 CFR part 2) prohibit any further disclosure of drug and alcohol abuse treatment information except with specific written consent of the person to whom the information pertains or the parent or legal guardian of a minor child to whom it pertains, unless otherwise permitted by federal law. A general authorization for the release of information is **NOT** sufficient for this purpose. State law prohibits any further disclosure of this sexually transmitted disease information, including HIV/AIDS, without specific written consent of the person to whom the information pertains, or the parent or legal guardian of a minor child to whom it pertains, unless otherwise permitted by state law. A general authorization to release information is **NOT** sufficient for this purpose.

2022-04-21

Dear Dr. PURVIS, MARTHA NP,

Through our partnership with Focus Care, your patient, covered through Optima Health, recently received a health visit by one of Focus Care's clinicians. Enclosed is a summary of the visit results for:

LAURA S LEWIS
900042354*01

This summary contains an environmental assessment, a summary of existing diagnoses, a list of current medications that may help you gain additional insight into your patient's health, as well as preventive and chronic care recommendations. Please discuss the findings with your patient at their next appointment or reach out to them for urgent concern.

If you have any questions, please contact Focus Care at 1-800-371-3338 (TTY: 711) Monday through Friday, 8:30 a.m. to 9:00 p.m.

Sincerely,

A handwritten signature in grey ink, appearing to read "Dr. Lundquist".

Dr. Thomas Lundquist, M.D.
Chief Medical Officer
Optima Health
