Dear Dr. ZAFAR,

Your patient was recently offered a convenient in-home assessment and health screening, not to replace his or her scheduled appointments with you. Our goal is to help patients take charge of their health by encouraging regular check-ups and follow-up care. Through our partnership with Focus Care, a licensed medical professional conducted the patient visit. Southwestern Health Resources has provided you with the enclosed summary and results for:

Colleen H Freeborn
01/16/1944
007852301

This summary contains an environmental assessment, a summary of existing diagnoses, a list of current medications that may help you gain additional insight into your patient's health, as well as preventive and chronic care recommendations. Only your patient, you and Southwestern Health Resources received this summary, and we recommend discussing the findings with your patient at their next appointment or reach out to them with any urgent concern.

If you have any questions about the in-home health review, please call us at 1-855-977-8820 Monday through Friday, 8:30 a.m. to 9:00 p.m. CT.

Sincerely,

A handwritten signature in black ink, appearing to read 'J. Fish'.
