Dear Optima Health member,

Thank you for getting your annual health visit offered to you by Focus Care and Optima Health.

At Optima Health, we believe better information leads to better care. Your comprehensive health review with Focus Care is a great step toward preventive care and healthy living.

We created the enclosed Personal Health Summary to help you further. This summary provides a picture of your overall health and identifies recommended immunizations, screenings, health tests, and local resources that you may want to discuss with your primary care provider.

We want to remind you that this confidential information does not affect your healthcare coverage in any way. Be sure to contact Optima Health before you schedule any health test to make sure it is covered by your plan.

We encourage you to share your Personal Health Summary with your family and to discuss it with your primary care provider. If you have questions about this document or any of the services Focus Care offers, please contact Focus Care at 1-800-371-3338 (TTY: 711), Monday through Friday, 8:30 a.m. to 9:00 p.m.

Sincerely,
